

BIAWC Built Green® Membership Application

A Program of the Building Industry Association of Whatcom County

Company: _____ Website: _____

Contact Person: _____

Mailing Address: _____

Phone: _____ Fax: _____ E-mail: _____

Contractor Registration #: _____

ASSOCIATE MEMBERS

Membership fee: Annual participation costs \$50 for a BIAWC member who becomes a Built Green® associate (suppliers, Realtors, etc.). Non-BIAWC members pay \$150. This fee will be used for administrative costs, including marketing and advertising the program, and updating resource materials. As a Built Green® associate member, you will be required to attend a Built Green® program orientation. You can then use the decal, logo, and other promotional materials to market your firm as a “participating partner” in environmentally friendly construction. You will also benefit from the marketing and advertising provided by the program, as well as a variety of resource materials that you should find informative and helpful in working with clients, whether they are builders, remodelers, developers, or customers.

BUILDER/DESIGNER/DEVELOPER MEMBERS

Membership fee: Annual participation costs \$75 for BIAWC members, non-members pay \$350. This fee will be used for administrative costs, including marketing and advertising the program, updating resource materials, and promoting project-specific recognition (through the Certificate of Merit, for example). As a participating builder, designer or developer, you will be required to attend a Built Green® program orientation. You can then use the Built Green® decal, logo, and other promotional materials to market your company *if you enroll projects in the program* (see below). You can also take advantage of the Built Green® Resource Library at BIAWC offices.

Project enrollment/fees: Only builder-developer-designer members may enroll a project, which requires additional fees. To apply for certification, the BIAWC-member builder must pay \$100 per unit (\$300 per unit for non-BIAWC members), not to exceed an annual maximum of \$1,200 including dues. For each project enrolled, a Project Enrollment Form and a Built Green® Checklist must be submitted with payment.
