A Built Green® preliminary checklist & fee must be submitted with this form.

BUILDER: In submitting a preliminary checklist, I agree to complete all Action Items checked. Upon project completion, I agree to submit an amended checklist if any changes occur during the construction or development process regarding Built Green® program Action Items. I understand that BIAWC does not warrant, to the homeowner or anyone else, that these Action Items have been completed; only that, based on the checklist provided by me, the project qualifies for a certificate.

I understand I will receive a Built Green® certificate showing a 1-, 2- 3-, 4- or 5-star rating for my completed project based on the information that I provide. By my signature below, I certify that I will perform all Action Items chosen on my certification checklist.
